*“Every life is a story...
rich with love, laughter, lessons
and light”*

*In these sacred moments of farewell,
I create a safe, healing space where
memories can be shared, tears and
laughter can flow freely, and love can be
remembered in its purest form.*

*With deep empathy and gentle
guidance, I hold space for you and your
family – to grieve, to remember, and to
celebrate – in a way that feels true to
your hearts.*

THE Singing Celebrant

An Optional Extra

Alongside his celebrancy work, Scott brings over four decades of experience as a professional singer and performer.

Families may choose to include live vocal tributes—beautiful, heartfelt songs woven into the ceremony—to create a uniquely warm and memorable farewell.

Whether sung as guests arrive, during reflection, or as a moving final tribute, Scott's voice adds depth, emotion, and a personal touch that families often find profoundly comforting.

As this offering requires additional preparation and rehearsal, an extra fee applies.

Examples from previous ceremonies can be listened to on Scott's website. Simply scan the QR code on the back of this brochure.
